Action Centre Services - For You!

Serving all employees affected by the closure of the John Deere Welland Works, the Action Centre has resources and services to help with the transition. Stop by the Action Centre at 50 Division St. in Welland. There is plenty of free parking across the street at the Market Square.

The Role of the Adjustment Committee

The John Deere Adjustment Committee provides services to all John Deere employees affected by the closure of the Welland Works facility. These services include: job search assistance, vocational and educational counselling, information about training and the government assistance available, such as Second Career, personal support to help with the stress of the transition, information on starting a small business and other programs

and services needed to find re-employment.

Our commitment is to provide these resources in a comfortable, positive atmosphere with the assistance of volunteer peer helpers at the John Deere Action Centre.

Future editions of the **Action Centre Newsletter** will provide information about services and upcoming events. Look for it on the website or request an emailed edition by contacting the JDAC at jdaction@cogeco.net.

The **John Deere Action Centre** is funded and supported by
